Donations for damages caused by the East Japan Great Earthquake

We would like to extend condolences to the deceased victims of the East Japan Great Earthquake, which took place in March 11, 2011, and their bereaved families and express our heartfelt sympathy to survivors of the earthquake.

Our group has decided to donate 10 million yen through the Japanese Red Cross Society to assist relief activities for earthquake victims and support the recovery and reconstruction of the affected areas.

We will also collect donations from our group's executives and employees and donate them through the Japanese Red Cross Society.

All of our group's executives and employees are praying for the earliest possible reconstruction of the disaster areas.
